VETERINARY CERTIFICATE

Horse: More Than Ready x Jolie Bay '15

Signalment: Bay yearling colt

Brands: Left shoulder = SS over a wave
Right shoulder = 6 over 5

Microchip: 985100012058127

Examined at: Segenhoe Stud, Stable D, Magic Millions, January 2017

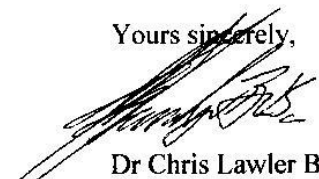

At the request of *Mr Scott Darby* of Darby Racing, a veterinary examination of the above horse was undertaken at the Magic Millions Sales Complex, Bundall, Queensland on the 11th January, 2017.

Clinical Examination

The clinical examination included heart, ophthalmic eye examination, teeth examination, limb flexion and joint palpation which were normal. The horse was examined at rest and at the walk. There was no evidence of previous abdominal surgery, infection or disease, lameness, laminitis or ataxia. At the time of sale only one testicle was palpable in the scrotum. It is not envisaged that this should affect his ability to fertilize a mare. Further he could be expected to be a suitable candidate for fertility insurance.

In my opinion, at this time, the More Than Ready x Jolie Bay '15 presented as suitable for purchase as a racehorse as can be determined from the examination performed as described. More Than Ready x Jolie Bay '15 is suitable for public syndication and mortality insurance.

Yours sincerely,

Dr Chris Lawler BVSc
